

# *Jane Mair Goodeve (Janie) , Viola*

A 4th generation Vancouverite by birth, Tampa has been home for Janie, Carl & her 2 boys Rob (25) and Will (23) for the past 20 years.

Her musical adventures started at age 5 with piano ( Royal Conservatory, Toronto ; Francine Kay, Beattie Zack, June Richards); Meeting her viola "Lucy" at 14 ( Stephen Wilkes, VSO; Ken Kwo, Florida Orchestra).

After a brief but rewarding "detour" (AKA- 30 year nursing career) **Janie** is now devoting more time to musical endeavors. In addition to Same Day, Jane plays with the Ybor City Strings Project under her teacher, Ken Kwo.

Forever grateful for supportive family, patient teachers and my dear musician friends.

Song that forever changed my life:
